In accordance with the provisions of Section 7-7 of the Sonoma County Code I hereby request a building permit exemption. This application is for a structure to be used in housing farm machinery, animals, supplies or products that are harvested from or utilized on a parcel of land.

This exemption shall NOT apply to the following:

1. Any building or structure, any part of which, is within 60 feet of a property line, regardless of the size of the parcel, and within 40 feet of any other structure.
2. Any structure which will contain waste plumbing.
3. Any parcel less than five (5) acres.
4. Any building that is not an agricultural building as defined in Section 402 of the Uniform Building Code.
