SYSTEM FINAL

Dear Dave;

The STANDARD sewage system for the residence has been installed according to the enclosed as-built plans, inspected, and found to be acceptable to Sonoma County standards. The septic tank was inspected and found acceptable. Final inspection was performed on 10/19/01, and the required Zabel filter was installed to acceptable standards.

Please contact me if you have any questions, and I look forward to your review and approval.

Sincerely,

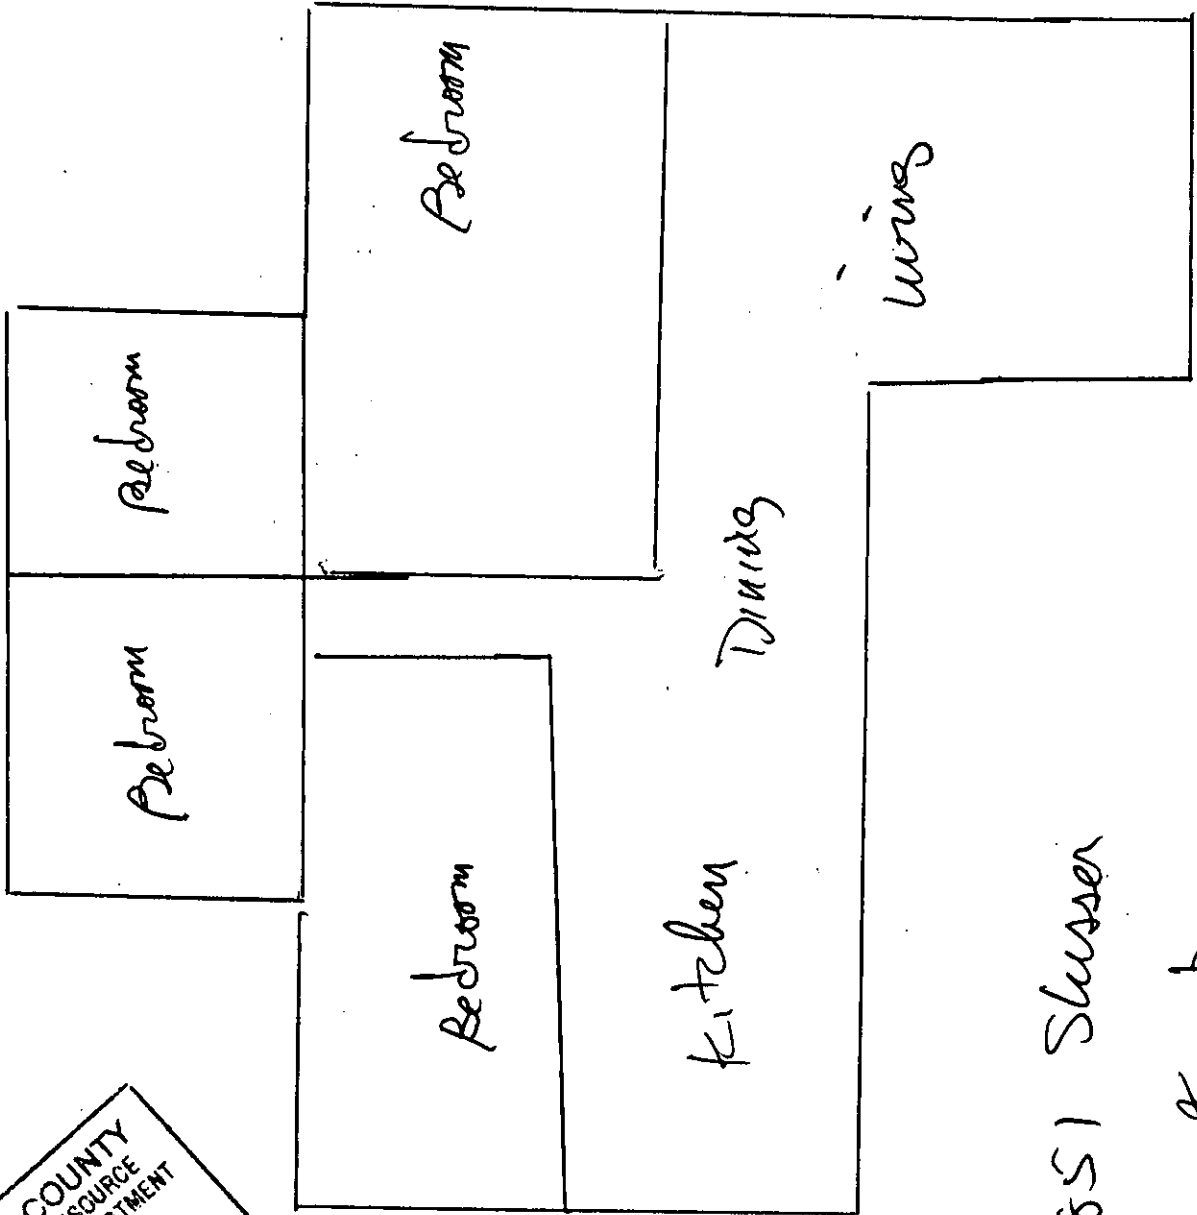

Frank Dono, REHS
