# NOTICE OF PUBLIC HEARING

## *Pending Action on a Coastal Permit*

Sonoma County Permit and Resource Management Department  
2550 Ventura Avenue, Santa Rosa, CA 95403  
(707) 565-1900 - FAX (707) 565-1103

**APPLICATION FILING DATE:** June 6, 2012

The Sonoma County Permit and Resource Management Department has received application **CPH12-0004** from State of California Department of Parks and Recreation requesting to install signs and fee collection devices ("Iron Rangers") for the purpose of charging a new fee for parking at 14 locations on the Sonoma Coast, ranging from Stump Beach in Salt Point State Park to Bodega Head; APNs 109-030-006; 109-140-011; 099-040-002 and -004; 099-050-006; 099-060-001; 101-110-004; 101-040-003; 100-020-003; 100-010-007; Zoning PF (Public Facilities), CC (Coastal Combining); Supervisorial District No. 5.

It is the determination of the Department that the project is categorically exempt from the provisions of the California Environmental Quality Act pursuant to the Provisions of Title 14 of the California Administrative Code, Section 15305 because it involves small structures, and Section 15273 because it involves rates, tolls, fares and charges.

The **Sonoma County Board of Zoning Adjustments** will conduct a public hearing to consider an action to deny the request at **1:05 p.m. on January 17, 2013** in the hearing room at the Permit and Resource Management Department, 2550 Ventura Avenue, Santa Rosa.

If you challenge the decisions on the project in court, you may be limited to raising only those issues previously raised before the Board of Zoning Adjustments at the hearing or in written form delivered to the Board of Zoning Adjustments prior to or at the hearing.

Prior to the hearing, the project details and environmental documents may be reviewed at, or written comments submitted to the Permit and Resource Management Department, at 2550 Ventura Avenue, Santa Rosa, CA 95403. Contact David Hardy at 707-565-1924, or via email to [David.Hardy@sonoma-county.org](mailto:David.Hardy@sonoma-county.org).

Sonoma County Permit and Resource Management Department  
2550 Ventura Avenue, Santa Rosa, CA 95403  
(707) 565-1900 FAX (707) 565-1103

APPLICATION FILING DATE: June 6, 2012

The Sonoma County Permit and Resource Management Department has received application CPH12-0004 from State of California Department of Parks and Recreation requesting to install signs and fee collection devices ("Iron Rangers") for the purpose of charging a new fee for parking at 14 locations on the Sonoma Coast, ranging from Stump Beach in Salt Point State Park to Bodega Head; APNs 109-030-006; 109-140-011; 099-040-002 and -004; 099-050-006; 099-060-001; 101-110-004; 101-040-003; 100-020-003; 100-010-007; Zoning PF (Public Facilities), CC (Coastal Combining); Supervisorial District No. 5.

It is the determination of the Department that the project is categorically exempt from the provisions of the California Environmental Quality Act pursuant to the Provisions of Title 14 of the California Administrative Code, Section 15305 because it involves small structures, and Section 15273 because it involves rates, tolls, fares and charges.

The Sonoma County Board of Zoning Adjustments will conduct a public hearing to consider an action to deny the request at 1:05 p.m. on January 17, 2013 in the hearing room at the Permit and Resource Management Department, 2550 Ventura Avenue, Santa Rosa.

If you challenge the decisions on the project in court, you may be limited to raising only those issues previously raised before the Board of Zoning Adjustments at the hearing or in written form delivered to the Board of Zoning Adjustments prior to or at the hearing.

Prior to the hearing, the project details and environmental documents may be reviewed at, or written comments submitted to the Permit and Resource Management Department, at 2550 Ventura Avenue, Santa Rosa, CA 95403. Contact David Hardy at 707-565-1924, or via email to [David.Hardy@sonoma-county.org](mailto:David.Hardy@sonoma-county.org).

### ***Appeal of a Pending Action on a Coastal Permit***

---

**APPLICANT:** State of California  
**APPELLANT:** State of California

**FILE:** CPH12-0004

The Board of Supervisors will consider the appeal by the State of California Department of Parks and Recreation of a Board of Zoning Adjustments' decision to deny the request for a Coastal Permit to install signs and fee collection devices ("Iron Rangers") for the purpose of charging a new fee for parking at 14 locations on the Sonoma Coast, ranging from Stump Beach in Salt Point State Park to Bodega Head; APNs 109-030-006; 109-140-011; 099-040-002 and -004; 099-050-006; 099-060-001; 101-110-004; 101-040-003; 100-020-003; 100-010-007; Zoning PF (Public Facilities), CC (Coastal Combining); Supervisorial District No. 5. The affected beaches include Stump Beach, Russian Gulch, Goat Rock, Blind Beach, Shell Beach, Portuguese Beach, Schoolhouse Beach, Salmon Creek (north lot and Bean Avenue), Campbell Cove, and Bodega Head upper and lower lots.

It is the determination of the California Department of Parks and Recreation, as the lead agency under the California Environmental Quality Act, that the project is categorically exempt from the provisions of CEQA pursuant to the Provisions of Title 14 of the California Administrative Code, Section 15305 because it involves small structures, and Section 15273 because it involves rates, tolls, fares and charges.

**NOTICE IS HEREBY GIVEN** that in accordance with provisions of law, the **Sonoma County Board of Supervisors** will conduct a public hearing on the appeal and the merits of the project at the hour of **2:10 p.m. on the 18th day of June, 2013**, in the Board of Supervisors meeting room 102-A, Sonoma County Administration Building, 575 Administration Drive, Santa Rosa, California.

ALL INTERESTED PERSONS are hereby invited to be present and heard thereon.

If you challenge the decision on the project in court, you may be limited to raising only those issues previously raised in the hearing or in writing prior to the hearing.

The Board of Supervisors decision is appealable to the California Coastal Commission. The Board's decision may be appealed in writing to the Coastal Commission on or before the 10<sup>th</sup> working day following receipt by the Coastal Commission of the Notice of Final Action.

Address: California Coastal Commission  
45 Fremont Street, Suite 2000  
San Francisco, CA 94105-2219

Prior to the hearing, the project details and environmental documents may be reviewed at, or written comments submitted to, the Permit and Resource Management Department at 2550 Ventura Avenue, Santa Rosa, CA 95403.
