Jennifer,

I received this forwarded email today from Dave Ranney, the contractor, for 14952 Coleman Valley Rd. which is from the water utility company for Occidental.

Is this sufficient proof the property is served by public water. I also have their water bill which I can forward to you.

Let me know.

Thanks, Steve

Dave,

I asked the water RR Utilities to send proof that the property is serviced by community water....read below. That what they sent. Will this work?

Dear Michael,

Thank you for your call this afternoon.

The property located at 14952 Coleman Valley Road has a water service connection and has been billed monthly for regular water use since 1999.

If you have further questions, please call me at 707-887-7735.

Sincerely,

Stephanie Voet
