Permit Sonoma
2550 Ventura Ave
Santa Rosa, CA 95403

Sewer permit SEW20-0163

Dear Mr. Hanna,

I am authorized to sign this letter on Manzana's behalf. Manzana assumes the risks of proceeding with its sewer permit and sewer line construction before recording an easement for the sewer line. Manzana owns two of the three parcels affected by the easement (APNs 130-090-021 and 130-090-020) and has no plans to sell either parcel in the immediate future. The County owns the third parcel (APN 130-090-037).

Sincerely,

Jean-Philippe Riblet
