Dear Bryan Waters,

Thank you once for your careful review of our accessibility plan for the parking area of the Sea Ranch Lodge. Please find our response below.

- 1.** We have provided the overall location of accessible parking spaces and accessible routes on sheet L1.00. On sheet L1.50 we show an enlarged plan view of the parking area with dimensions and callouts of key elements, including: ground surfaces, striping, signage locations, accessible aisle and parking layout. This sheet also includes a section of the parking signage, typical to both accessible parking spaces.

Please let us know if you need any further information from us.

Sincerely,

Story Wiggins and the Terremoto Team
