Structural Observation Letter

Dear Sir/Madam:

This letter certifies that, in accordance with Section 1704.6 of the California Building Code, our firm has performed the following structural observations for the slab and foundation pour for the project referenced above.

These observations were performed by the undersigned Civil Engineer registered in the State of California. Based upon inspections performed it is our professional judgment that the work requiring special inspections is substantially in conformance with the approved plans and specifications and the applicable workmanship requirements of this code. The slab and foundation pour may proceed.

Sincerely,

Diarmuid Mac Neill  
President
