Bodega, CA 94922

Bureau Veritas has completed the second plan review of the below listed documents on behalf of the Sonoma County Engineering and Water Resources Division and is approved pending final approval from Sonoma County.

Standard Mound Septic System Plans, Sheets 1 thru 4, dated Jan, 2024.
Septic Design Report, Standard Mound Septic System, 28 pages, dated 10-3-2023

GENERAL INSTRUCTIONS

1. This plan review has been made to verify conformance to minimum requirements of codes and ordinances adopted by the County of Sonoma, State of California. These plans and documents have been reviewed for compliance with the applicable code requirements of the jurisdiction. The approval of these plans shall not be held to permit or be an approval of a violation of any applicable codes and/or standards nor relieve the owner, design professional of record or contractor of compliance with any applicable codes and/or standards. Plan review of documents does not authorize construction to proceed in violation of any federal, state, nor local regulation.
2. The review does not necessarily include errors and omissions. Complete compliance is the responsibility of the designer.

Respectfully Submitted,

Benjamin Dela Cruz, PE
