Dear Mary:

This letter is to state that we have seen the installation of the private sewage disposal system on the above referenced property and find it to be in substantial conformance with the approved plan. Attached is a copy of the pumping receipt for the four septic tanks destroyed under this permit. If you have any questions regarding this information please feel free to call.

NOTICE: Under the Mechanics' Lien Law (California Code of Civil Procedure) any contractor, subcontractor, laborer, supplier, or other person who helps to improve your property but is not paid for his work or supplies has a right to enforce a claim against your property. This means that after a court hearing, your property could be sold by a court officer and the proceeds of the sale used to satisfy the indebtedness. This can happen even if you have paid your own contractor in full, if the subcontractor, laborer, or supplier remains unpaid.
