The earnings summary shows your earnings in USD for reservations on Airbnb for the 2023 calendar year. Cancelled reservations do not contribute to the Reservations or Nights totals on the Earnings Summary. If you received a Form 1099-K from Airbnb, the figure in "Number of payment transactions" (Box 3) may differ from what is presented in the Earnings Summary. The summary is current as of the indicated date and is provided for your convenience. It is your responsibility to determine what amount to report as taxable income on your US income tax return. We encourage you to consult a tax professional if you need advice on reporting your income.
